

Dear Parents and Guardians,

Regarding revised edition of extraordinary school cancellation
due to warning of bad weather

1. When there is very bad weather, please watch the weather forecast on television or listen to the radio in order to ensure your child's safety. You can also call 117 to get the latest weather news.

*Sources of information for bad weather warnings

NHK, Sun TV or HP of Meteorological Agency (which only issues according to city and town)

2. If there is a weather warning (keihou) in the region or city that you reside in at the time when your child should be going to school (7 AM), have him/her wait at home.

Weather warning	Affected areas
• Heavy rain • Flood • Heavy snow • Hurricane • Severe snowstorm • Tidal wave	Ashiya-city
Time & Situation	Action
Warning issued at 7:00 am	Stay at home
Warning cancelled or downgraded to advisory (chuihou) before 8:00 am	Come to the meeting place at 8:20 am
Warning cancelled or downgraded to advisory (chuihou) before 9:00 am	Come to the meeting place at 9:20 am
Warning issued at 9:00 am	Extraordinary cancellation

Notes:

*Please assure that weather conditions are safe before you send your child to school.

*Even if the weather is cancelled after 9:00 am, you do not need to send your child to school.

3. If there is a warning after the students have come to school, the school may send you e-mail to tell about lunch and leaving time.
